

Song for the Children June 2009

Boys and girls in the world we're all equal
Have the right to live our lives free and peaceful
Safe from harm, with loving arms to feel protected
Have a home, free to roam, feel connected

Chorus 1

It's the same sun that shines on everybody
Over mountains, over deserts, over cities
Sing this song for all the rights of all the children
Sing this song for the world that we live in

Hear our voice, hear our hearts, the thoughts in
our mind
Educate us to create, rest and playtime
Have some faith in our lives, and let us be
loved
Let us laugh, let us cry, give us freedom

Chorus 2

It's the same sun that shines on everybody
Over mountains, over deserts, over cities
Sing this song for all the rights of all the children
Sing this song for all the world that we live in

(Quiet part)

Boys and girl in the world can you hear us
Just enjoy the good things mother nature gives us
Open up your mind and let the word in
Sing this song for all the rights of all the
children

Last Chorus

It's the same sun that shines on everybody
Over mountains, over deserts, over cities
Sing this song for all the rights of all the
children
Sing this song for the world that we live in

Sing this song for all the rights of all the children
